

Cooperative for Human Services Inc.

A passion for what's possible.

Serving adults with disabilities and their families since 1981

2016-2017 Annual Appeal

The holiday season is traditionally filled with inspiration and generosity. Over the years, through the generosity of many, our pursuit of 'A passion for what's possible' on behalf of each person and each family we serve has been actualized. We remain steadfastly committed to our mission ~ for every person with special needs to live a truly happy and fulfilling life as respected citizens of their communities ~ and you can help us achieve our mission.

The assistance we have received in the past has made a real difference and brought real joy to the people we serve. This financial assistance has helped allow for the expansion and development of ground breaking opportunities for the people receiving our services. You too can have a positive effect in the life of each of the individuals served by Cooperative for Human Services Inc. We are asking for your help.

We work to make the most of all financial contributions, keeping administrative costs low and focusing our efforts where they are most needed. Your important contribution will be used to help all of the people we assist achieve their own personal goals, learn new skills and realize their full potential as members of our community. Your donation will help us help our individuals realize a greater sense of purpose and achievement.

We work to encourage the exploration of new activities and the expansion of social networks. We focus on maintaining positive family relationships, living healthy active lives, and giving back to the community. You can contribute and help support educational, social, volunteer, and health and wellness activities that otherwise would not be possible. Thanks to past contributions we have received, relationships with families and friends are truly thriving.

The economic means and resources to develop more learning opportunities and social activities for the individuals we care for will be made possible because of your assistance. Your support will help Cooperative for Human Services Inc. move forward leveraging our progress, providing individualized, person-centered services well into the future and assuring that CHS can sustain the development of programs, the expansion of creative housing, family support and transition services. Your gift will provide greater possibility for those served by CHS to achieve, succeed and thrive.

The monetary challenges we face today are formidable and we need your help to sustain our reputation for quality services. We are, and will continue to work diligently, to be as prepared as we can be, to adapt in a way that is caring, effective and innovative. The enhanced quality of daily life for each person we serve depends on your donation, in any amount, more than ever. Your support is needed. There is still more to do. Please make your donation today and please give generously.

Sincerely,

Kevin J. Leahy
Executive Director
